## Packaging & Shipping

---

## FAQ

1. Q:How about the quality of the product?

A:The quality of our products is all right.If you are worried,you can take the samples first.

2. Q:If you don't have the sample I need, can I get the sample confirmation before placing the order?

A:Pls contact us .Samples we can provide must be provided . If special requirements are needed,proofing can be carried out,and proofing fees need to be paid.

3. Q:Can I customized the pump colors ?

A:Yes , you can .If the color of the pump is not what you want , you can customized the color you want. But the order quantity will be different.

4. Q:How can I customize the color ?

A : pls contact us and tell us the color you want,or provide us with samples for customization.But the starting quantity will be high.

5. Q:What's the way of packing?

A:Standard export carton packing.If you have other requirements for packaging,we can according to your requirements.
